

Mini VEGA lightbar

with electronic control panel

WARRANTY
3 YEARS

The first approved extra low profile mini lightbar with integrated siren and loudspeaker!

PRODUCT
++

- Patented sound system
- Resists wind speed up to 150 km/h
- Light, easy and prompt to install
- Aerodynamic, a height of only 67 mm
- Reduction of vehicle's aerodynamic drag and therefore its fuel consumption
- Maximum sound power thanks to a height position on the vehicle
- No need to mount the siren and loud-speaker in the vehicle
- Approved siren tones
- Easier access to underground car parks thanks to its flat shape
- Robust, aluminium frame and polycarbonate lens
- High brightness LED lighting – R65 approved
- Very low electrical consumption
